The Newsletter of the Episcopal Church of the Epiphany June & July, 2010

## OUR MISSION

TO SHARE THE LOVE OF CHRIST WITH ALL PEOPLE THROUGH PRAYER, WORSHIP AND BIBLE STUDY; BY CARING FOR THOSE AMONG US AND BY SERVING THE WIDER COMMUNITY.

## Highlights from the Rector

Dear Epiphany Friends,

*"A friend is one to whom one may pour out all the contents of one's heart - chaff and grain together - knowing that gentle hands will take and sift it, keep what is worth keeping, and with a breath of kindness, blow the rest away." -George Eliot*

I call you friends just as Our Lord Jesus has called us his friends. We are friends together in Our Lord and Savior Jesus Christ. We are joined on this journey of faith, in this time and in this place. I have been with you now for more than three years, as of March 1<sup>st</sup>. The Lord began whispering his call to me to come to Epiphany as your Rector probably in the summer before that March, so that makes the relationship in my heart for you even longer.

I am taking "two months of Sundays" off from my duties with you, unpaid. In other words, this is not vacation leave. (This does not include the time that is in my contract with you for vacation or study leave.) This is my gift to you, and your gift to me.

This comes at the same time that we have needed to hire a new Parish Administrator. It has been my request to the vestry that we increase the hours of this position from 8 hours to 20, so that we can have the office open more days, and so that the position could be expanded in its duties.

To accomplish this, at my insistence, and the Vestry's agreement, we are re-arranging the budget, taking from the largest line item, which is my salary. We are in hard economic times right now. Currently, we hold the Rector's salary at 2/3's time, with no medical benefit package. When I came here, it was at 1/2 time salary, and the diocese was contributing toward the salary. What we are doing is cutting it back by two months, including the pension fund

payments. This works perfectly, without taking too much of a step backward overall. Epiphany has kept very close to the Diocesan guidelines in its scale of salary for Rectors, so this way we are choosing to go below the 2/3's time level, yet not go back down to the 1/2 time. Having a person in the office for 4 days a week will enable volunteers to become active, morning programs to take place easily at the church, and our Parish Administrator to eventually do the weekly bookkeeping tasks that our Parish Accountant does, freeing her up to check in for quarterlies only.

I want to thank you, and I want to let you know just how much I need this time with my family. This year has been difficult in losing my dear, father. Then when George Beauvais was diagnosed with cancer we lost the presence of our wonderful and capable Parish Administrator Terri Beauvais of 15 years, bless her, the same week that my father died. Kaboom! Thanks to Kathy Hardin's help with the bulletin, I was able to keep things going in the office, literally "limping along." She and I worked every Saturday since January doing the bulletin. In addition, my own health has been a challenge this year, with my foot surgery and then my abdominal surgery. But I am "all healed up" as we say here in the South. And I am feeling very well. Just drained.

The Bishop and the Canon to the Ordinary have told me that time off is important after a parent's death. This has been a long time coming. The best time for any clergy to be away in a parish for the church's sake is summertime. That is why I have held on until the summer. So again, thank you for this opportunity, and bless you.

Epiphany has moved into a much stronger and healthier place than we have been for a long time. We now have a very competent multi-staff of very part-time people who lead us in music and youth programming, and who will continue to take care of administrating our office/financial needs well. Our small church has become quite a leader in the area of Outreach. We are also among the top percentage

in our pledging dedication to the diocese. Significantly, we no longer receive help from the diocese for meeting our budget, as we did when I first arrived.

The diocese is pleased with the progress that Epiphany has made over the past few years. All of you should be pleased with your hard work and your faithfulness to Christ and His Church. What I hope you will now turn your thoughts and prayers toward is your own leadership potential for the future. The Body of Christ is you. It is time for us to begin exercising our Body, and using all of its parts. We will all be taking part in many different ways in carrying out the ministry of Epiphany. These two months of June and July will actually fly by. And you are pastorally in the most capable hands of our beloved Deacon Anita, who also has backup clergy coverage from Mother Pat Earl, Rector of Church of Our Saviour in Lincolnton, and other clergy in the area.

If you see a mysterious person out in the parish garden early some mornings, don't worry, she won't be picking the tomatoes for a BLT at home. (Might be me!) She may simply be enjoying memories of childhood when she helped her grandfather in his garden. And stopping by to help Stacey Beaver, our new Parish Administrator.

On Sunday, July 4<sup>th</sup>, Epiphany will have one of the most special Sundays ever! The Ben-Davies family will be having the baptism of their grandson. There may possibly be a second baptism that day of a baby cousin in their Anglican/Episcopal family as well. So, we may have two babies that morning! I hope that many of you will attend that day! The Rev. Laura Myhr will baptize the baby(s) that day. She is really looking forward to the occasion. Baptisms are an absolute delight in the life of the church.

May the first two months of your summer be filled with friendship and relaxation. May you enjoy the Crawdads game on June 18<sup>th</sup> (the Lilly family may see you there), may you enjoy your picnics and family vacations, your visitors and solitude. All of you will be in my prayers for safe travel and for your happiness, because I count you as my friends in Christ. Please keep me in touch by email or note or call if you need to. Enclosed is the list of priests who will be the Celebrant for each service, and Deacon Anita will lead Morning Prayer three times. She will also offer the Reserved Sacrament after the service for those who wish to come to the rail afterward. I know you will give our guest clergy a warm welcome. And please stop by the church any time Monday - Thursday between 9 am and 2 pm to meet Stacey. If she is not running an errand, she will be there and would love to meet you and get to know you.

See you the first Sunday of August!  
In Christ's love and friendship,

*Mother Beth +*

## Ministry and Mission Conference

### Reconciliation: A Path for the Decades to Come

*"Reconciliation is God's dream for the world. It involves restoring broken relationships, healing our deepest wounds and transforming hearts in the peace of God."*

*-Doris Donnelly*

Our Diocesan annual Ministry & Mission Conference will be on Saturday, June 5 held at First Baptist Church in Asheville. This year's workshops will offer many inspiring speakers. Our keynote speaker will be The Rt. Rev. Eugene T. Sutton, Bishop of the Diocese of Maryland. The theme of Reconciliation will be reflected in several of the workshops. Fourteen members of Epiphany are going.

### Deacon's Corner

I recently spent several days in Washington, DC with my students exploring the city and trying to answer the question, "What does Washington, DC tell us about our country?" Students worked in five different focus groups to learn about different topics and/or issues. One group was charged with examining poverty and spent quite a lot of time serving in soup kitchens. While working with the poverty group in Charlie's Place, a soup kitchen housed in St. Margaret's Episcopal Church, one of our students approached a man waiting for the meal to be served and introduced himself. The two became engaged in a conversation and after the meal the man approached my student and thanked him for talking with him. In that moment I realized the power of just paying attention to people and taking time to talk with them. The Corner Table is a great example of how Epiphany and other members of our faith community serve those who are hungry; we should all remember that while the food is important, just seeing people as God's children and spending time with them is equally important.

I want share an exciting ministry opportunity that some of you might want to explore. The parishes of St. Albans, Ascension and Epiphany are forming a new ministry grouped called The Catawba Episcopal Outreach. This group will go through a process of discernment together to identify an unmet need in our county, and then will work together to meet that need. Our formation process will involve spending time together in June and August (approximately 18 hours) with representatives from all three parishes. After the formation period the group will meet on a regular basis to develop a plan of action and then implement that plan to be the hands and feet of Christ in our community. I hope that 4-6 members of Epiphany are interested in becoming part of the new outreach ministry opportunity. Formation dates are: Friday, June 18<sup>th</sup> from 5:30-8:30pm; Saturday, June 19<sup>th</sup> from 8:00-2:30pm; Friday, August 6<sup>th</sup> from 5:30-8:30pm; and Saturday, August 7<sup>th</sup> from 8:00-2:30pm. Dinner will be provided on the Friday evening sessions, and breakfast and lunch will be provided on the Saturday sessions. The June sessions will be at St. Albans, and Epiphany will host the August sessions. Please let me know if you are interested and available to join this new outreach group!

Remember that Christ is counting on all of us!

*Anita*

## Thank You Dear Terri Beauvais - and Welcome Wonderful Stacey Beaver

We welcome Mrs. Stacey Beaver to our office as our new Parish Administrator. Stacey grew up in Lincolnton and lives there now with her husband and her 11 year old daughter. She also has an older daughter who is married and lives in the area. Her parents, the Rev. and Mrs. Gary Smith, live in Lincolnton as well. Stacey is a graduate of West Lincoln High School, and has also attended Gaston College and CVCC. She has a strong background in office work, reception, computer data entry, and she is the church clerk and assistant treasurer at her own church. She also has experience working in health care, assisting people in need. Mother Beth and the Vestry find her to be a very kind and caring person, and extremely capable for the work as our Parish Administrator.

Last week our dear Terri came over here to the church to help Stacey get familiar with her filing system on the computer, and many other things that she needed to know. If you could have only known how very hard it was for Terri to even come here, and to leave George just for that little while. How much it hurts Terri to have to leave a job that she loved and served so faithfully for 15 years. She has been so wonderful to Epiphany! This cancer coming upon George so suddenly has been a nightmare for them. Yet they live by faith and by their great love for one another. And they are strong. Things are good each day. He has lost weight, but he is in good spirits.

Terri has bought a puppy!

Stacey met with Terri, and their hearts both went out to one another for many reasons, in Christian love and sympathy and support. I was so touched. We are truly blessed to have a new person who is such a deeply committed Christian as Stacey is, that she could have the compassion she does for Terri.

There were tears about George, and there were excited giggles about the puppy! We want Terri to bring her by to visit us at the office. She is a black Bijon-poo. (?)

I would ask that we continue to reach out and make calls to Terri and George at home, and give them our love and support through this difficult time. Terri has been with us for 15 years, and has been such a wonderful Parish Administrator. We will be preparing a very special thank you gift for her over the summer, so stay tuned. She would love to hear from any of you by phone now, or by card as well.

With love and thanks to God for His guidance in these situations that are beyond our understanding, we bow in humble prayer.

## Bishop Ordains Four New Deacons

Diocese of Western North Carolina Bishop G. Porter Taylor ordained four newly graduated seminarians to the transitional diaconate Sunday, May 23<sup>rd</sup> at the Cathedral of All Souls. All four are on track to be ordained to the priesthood within a year.

The four are Alice Rutland, from Grace, Asheville, who was graduated from the School of Theology at the University of the South at Sewanee, Tenn. She received the George Thomas Shettle Prize for excellence in Liturgical Reading and the St. George's College Jerusalem Award, which allows her to take a two-week course, "the Palestine of Jesus" there. Following Sunday's service, she left for Napa, Calif., where she will begin work July 1 at St. Mary's, Napa in the Diocese of California.

Also newly graduated from Sewanee May 14 was Sara Ardrey-Graves, from Holy Cross, Tryon, who was also ordained Sunday.

Anne McClearn, a parishioner of the Cathedral of All Souls and who was graduated from General Theological Seminary in New York, N.Y. May 19, will become the new rector at St. George's, Asheville.

Thomas Murphy, also from the Cathedral of All Souls, who attended Harvard University and finished his Anglican Studies at Virginia Theological Seminary in Alexandria, Va., is already working at the cathedral and as a chaplain at the University of North Carolina at Asheville.

-The Very Rev. Todd Donatelli, Dean of the Cathedral, preacher at the service.

The ordinands are pictured here with Bishop Taylor, (from left) Rutland, Murphy, McClearn and Ardrey-Graves.

**Program Day at Valle Crucis Conference Center**

***Experience Daily Practices***

Join us in the high mountains for an enriching early summer offering. This program day has been designed for anyone seeking to more fully embody the virtues in their daily lives. You will come away from this day of interactive exploration and discussion feeling supported, refreshed, and inspired, with tools to help you on your spiritual journey. This is a great opportunity for clergy to bring – or encourage to attend – interested and engaged lay leaders to learn more about how to begin a *Daily Practices* program in your parish. We also will provide a Facilitator's Guide, which will include everything you need to start a *Daily Practices* program, from initial announcement templates, to week-by-week guidelines for small group study and discussion, to a sample syllabus for each of the virtues, as well as many other helpful tips and resources.

**Saturday, June 19, 2010 • 10am - 3pm • Valle Crucis Conference Center**

**Cost: \$20, or \$15 each for two or more registering together • Includes lunch and materials**

**Facilitators: Robbin Whittington and Rev. Deacon Ann Fritschner**

During the morning, we will discuss daily practices and why it is so important to approach any practice from a place of longing and desire, rather than thinking of it as yet one more thing we "should" – or "need" – to do. There will be time for reflection, discussion, and community-building.

**Daily Practices: A Road Map and a Compass for our Journey**

In the afternoon, we will introduce a chapter from the program, and then break into small groups to more deeply engage with an activity from one of the virtues. We will also go over the Facilitator's Guide.

**To download a free virtue before the retreat, go to: [practicegodsvirtues.com](http://practicegodsvirtues.com)**

**To register: download a registration form at: [centersforchristianstudies.org](http://centersforchristianstudies.org)**

For the past two years, Robbin has been the editor and publisher of *Daily Practices for God's People*, and is the Director of the Center for Spiritual Resources (formerly Centers for Christian Studies).

Ann serves as deacon at St. Philip's, Brevard, and is one of the authors of *Daily Practices*.

## Fall Yard Sale and Bazaar

The vestry plans to sponsor another Yard Sale in the fall, but we also would like to include Christmas items to sell at the same time. If you are crafty or have ideas or materials we could use to make Christmas decorations, please let Ann Lowery know. We think it would be fun to have at least one group working once a week on things for the sale. We also plan to sell baked goods and anything else you can think of to make a little money. Thanks in advance for your help.

## Summer Reading

Deacon Anita is inviting us to add two books to our summer reading list. These two books will be discussed in the fall at two different supper gatherings at Epiphany, for those who have read them.

Both books are by Bruce Feiler:

- Walking the Bible: A Journey through the Five Books of Moses
- Abraham: A Journey to the Heart of Three Faiths

These books are easy to find at Barnes and Noble, and they they can easily be bought over the internet at Amazon.com as used books very inexpensively. Please let her know if you have any difficulty finding the books. Enjoy!

## Old Fashioned Hymn Sing and Cook Out

In August, the Vestry plans to sponsor a Sunday evening Old Fashioned Hymn Sing, followed by a church-wide cook-out. We need to know your favorite hymns so we will be able to find the words for everyone. Please list your favorite hymns and return the list to the office by July 25, 2010. The top 10-15 songs will be included, so please return your list so your favorites will have a chance to be included. Thanks for your assistance.
